“It is time to end the diversion of federal small business contracts to corporate giants”

-Presidential candidate Barrack Obama – February 2008 campaign

“One of the most important challenges facing the Small Business Administration and the entire Federal government today is that large businesses are receiving small business procurement awards and agencies are receiving credit for these awards.”

-Report 5-15, SBA Office of Inspector General, 2005

"By failing to hold firms accountable, SBA and contracting agencies have sent a message to the contracting community that there is no punishment or consequences for committing fraud."

-Report 10-108, Government Accountability Office, 2009

“The Agency faces a number of challenges in carrying out its mission, including fraudulent schemes affecting all SBA programs...”

- SBA Inspector General Spring 2013 Report to Congress
